

# NEA PURRCELL

Videopoem de Florentin Smarandache

---

Ia, mă, să văd cine fu ăsta

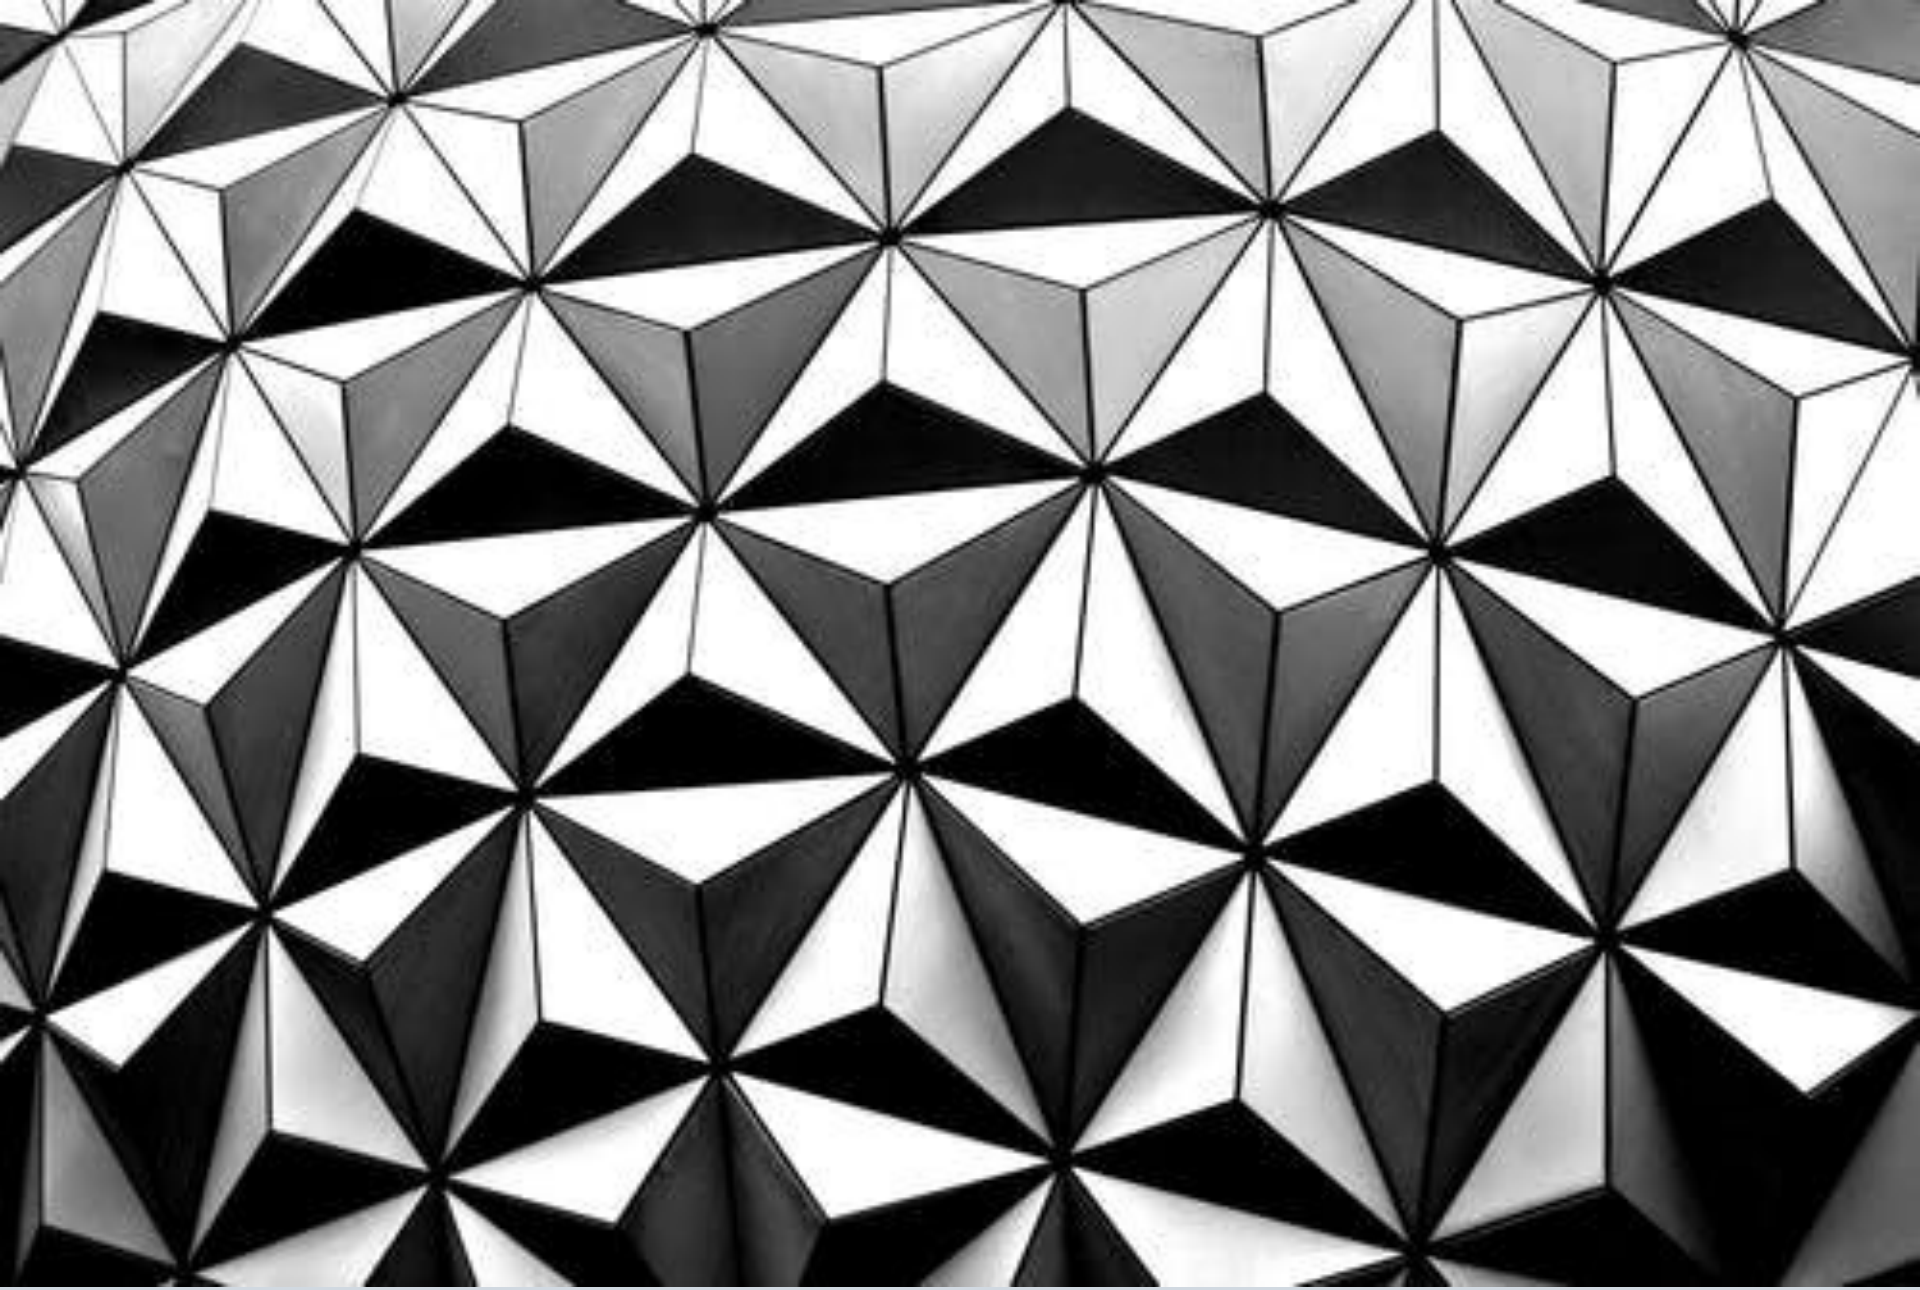

cu sămânță de skandall,

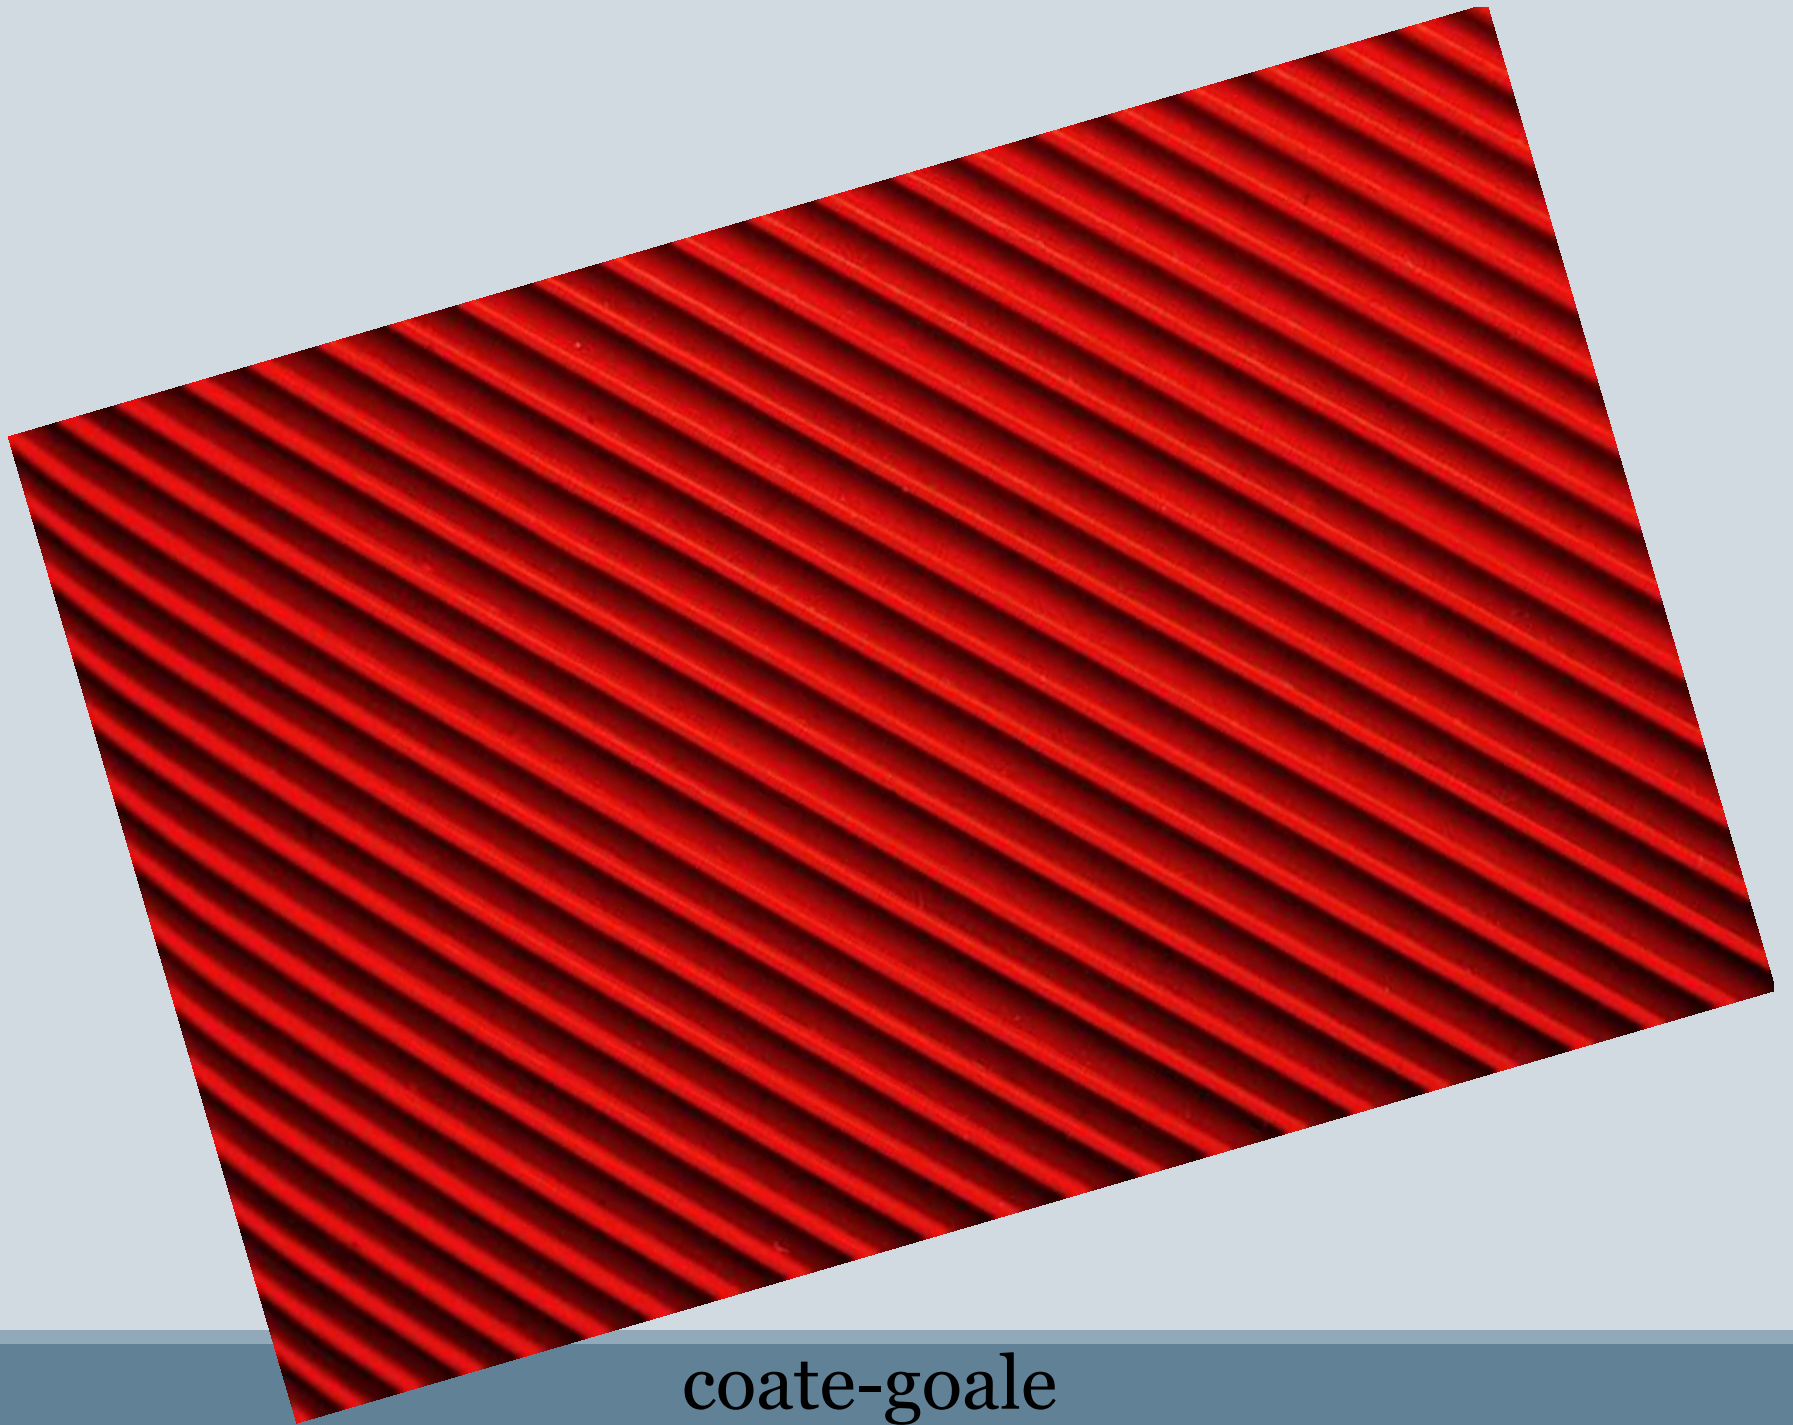

Nea Purrcell,

alergic bovaniu la muncă

coate-goale

mațe fripte și zdrelite!

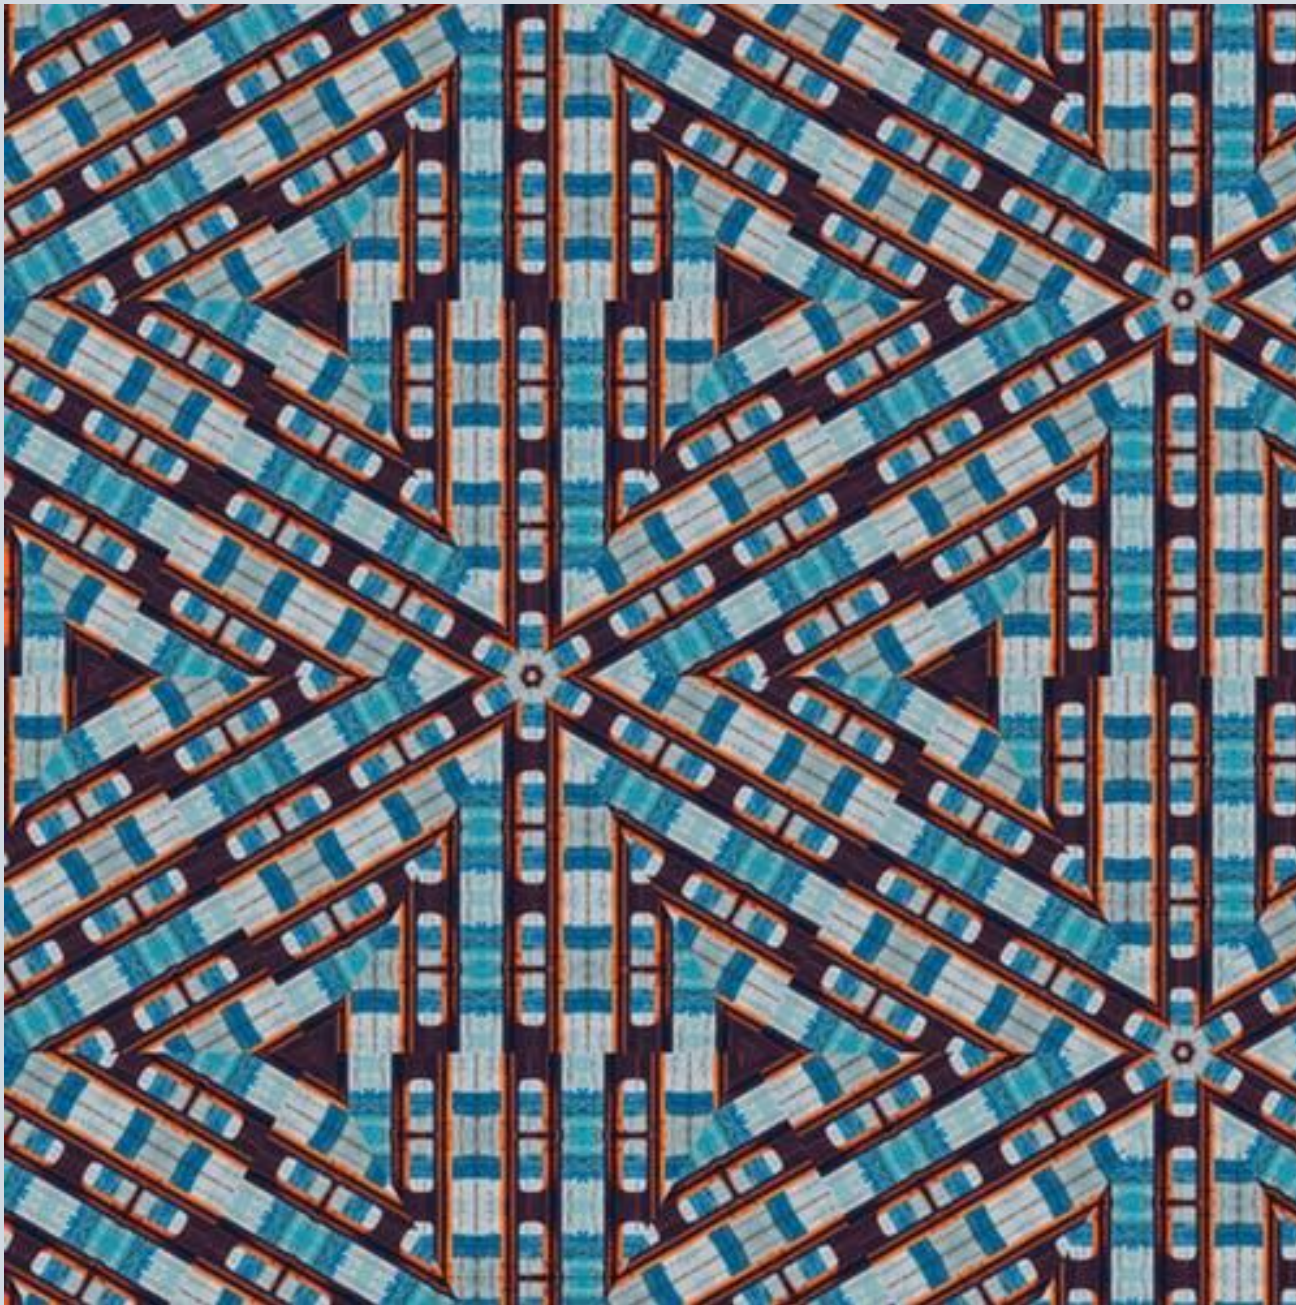

Da' ce vocalimbar avu măgaru!

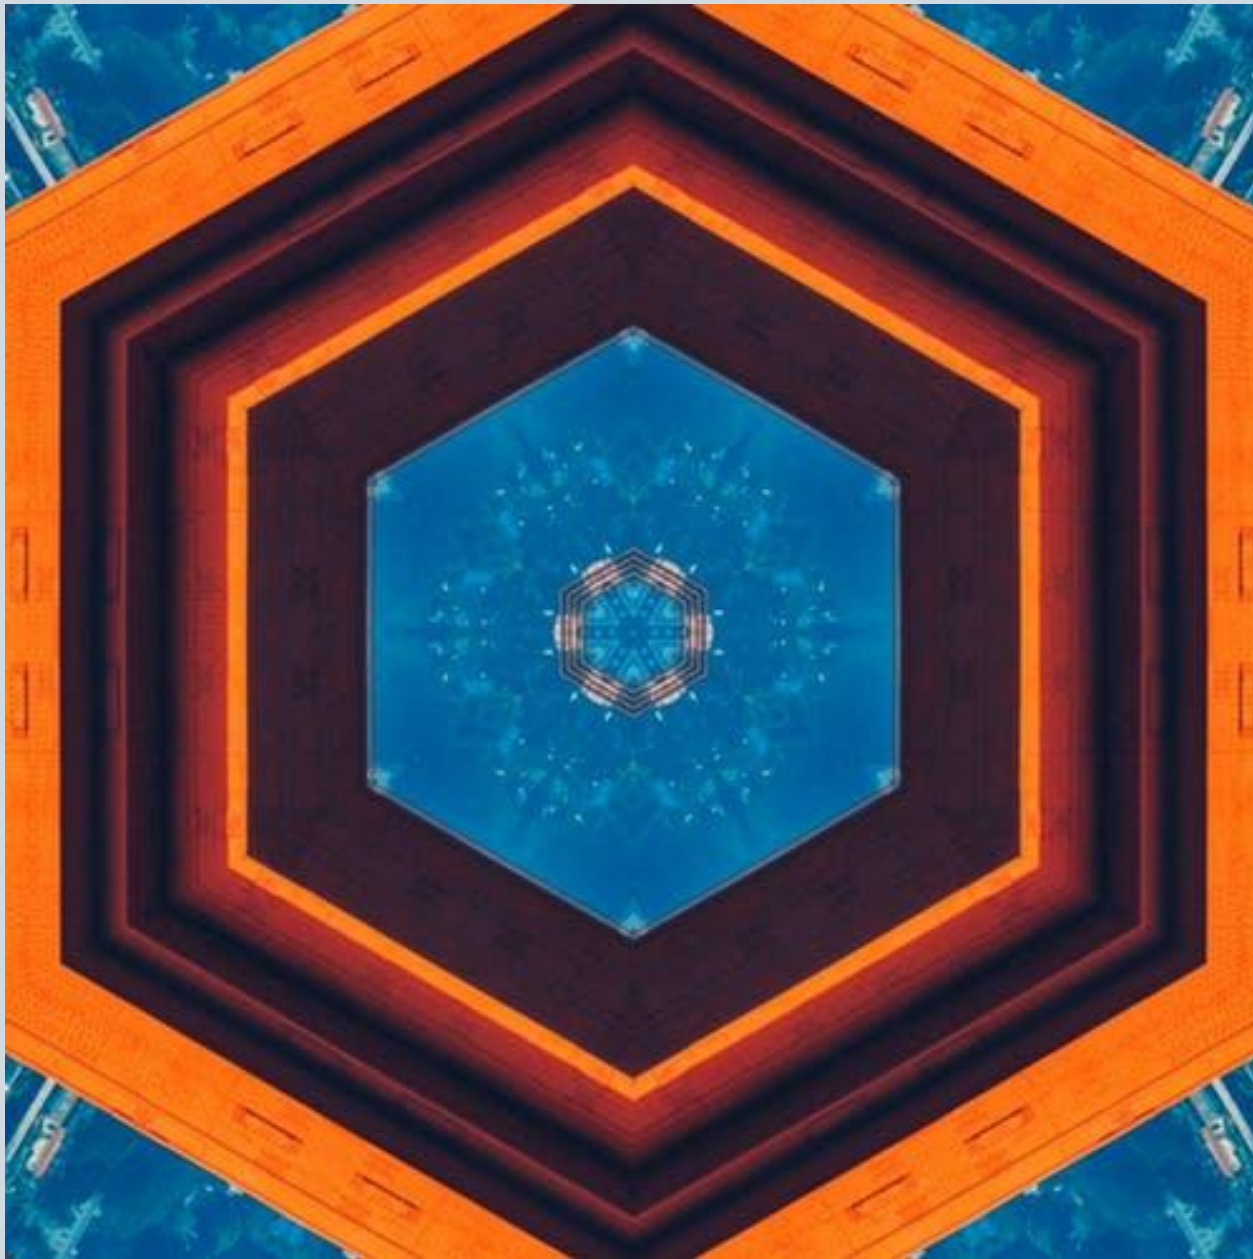

și ce pretenții de șuetă

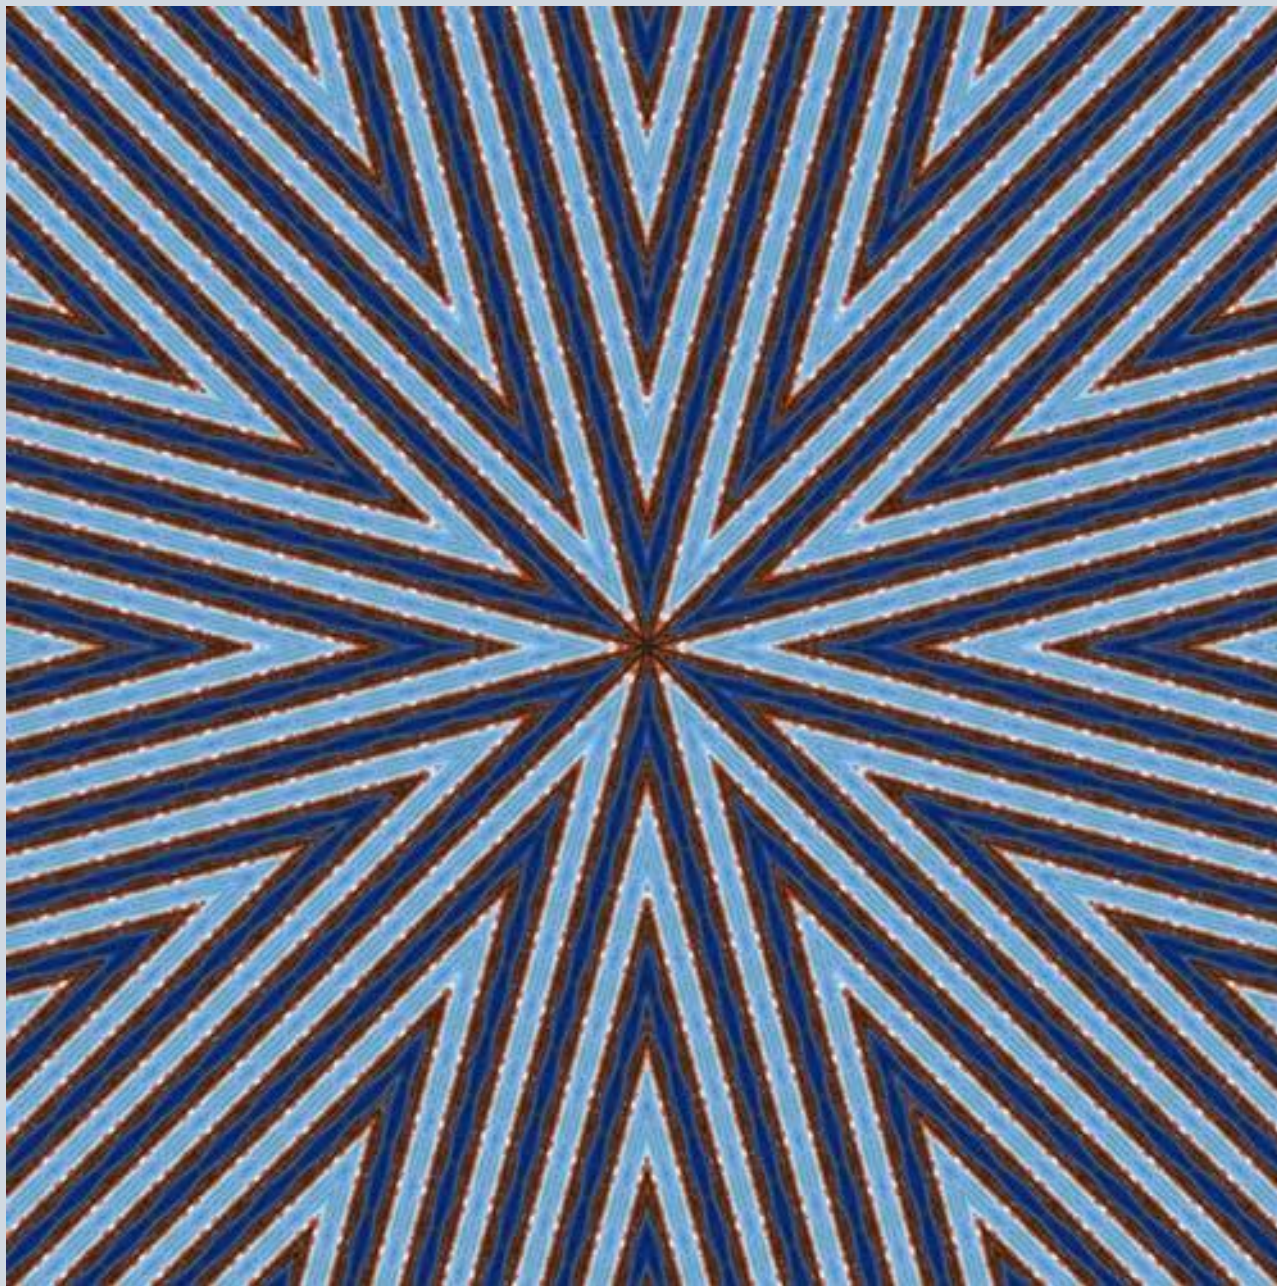

Parcă putuși să te caci

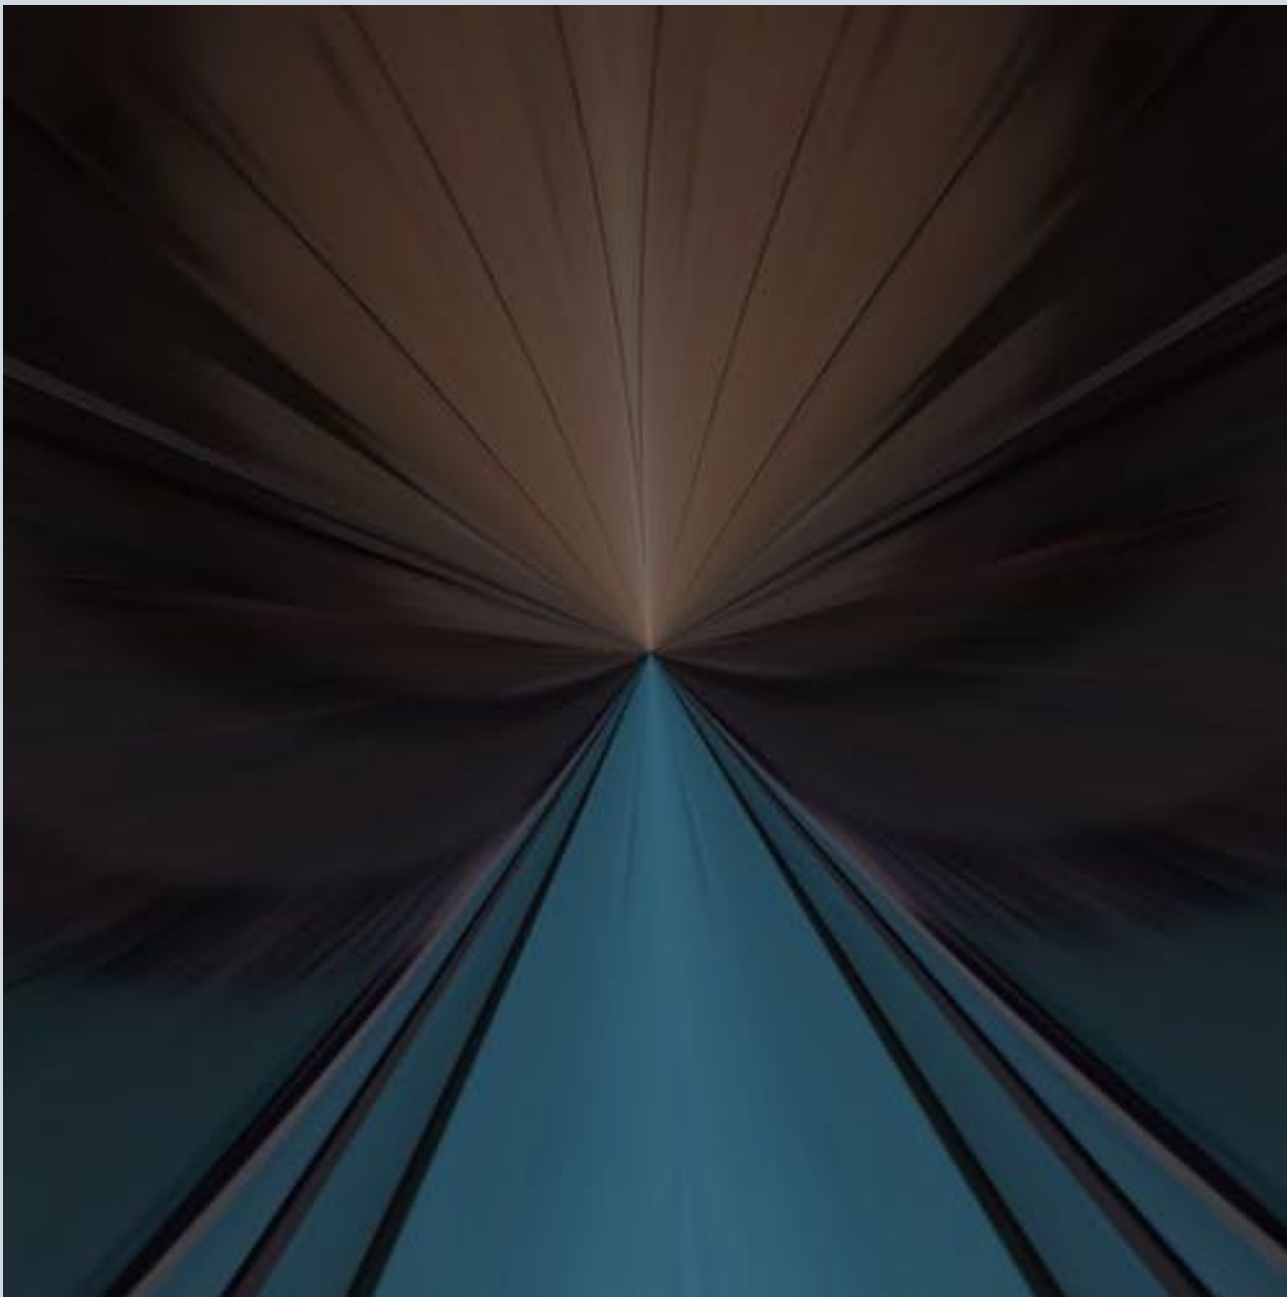

în pofta nărodului?

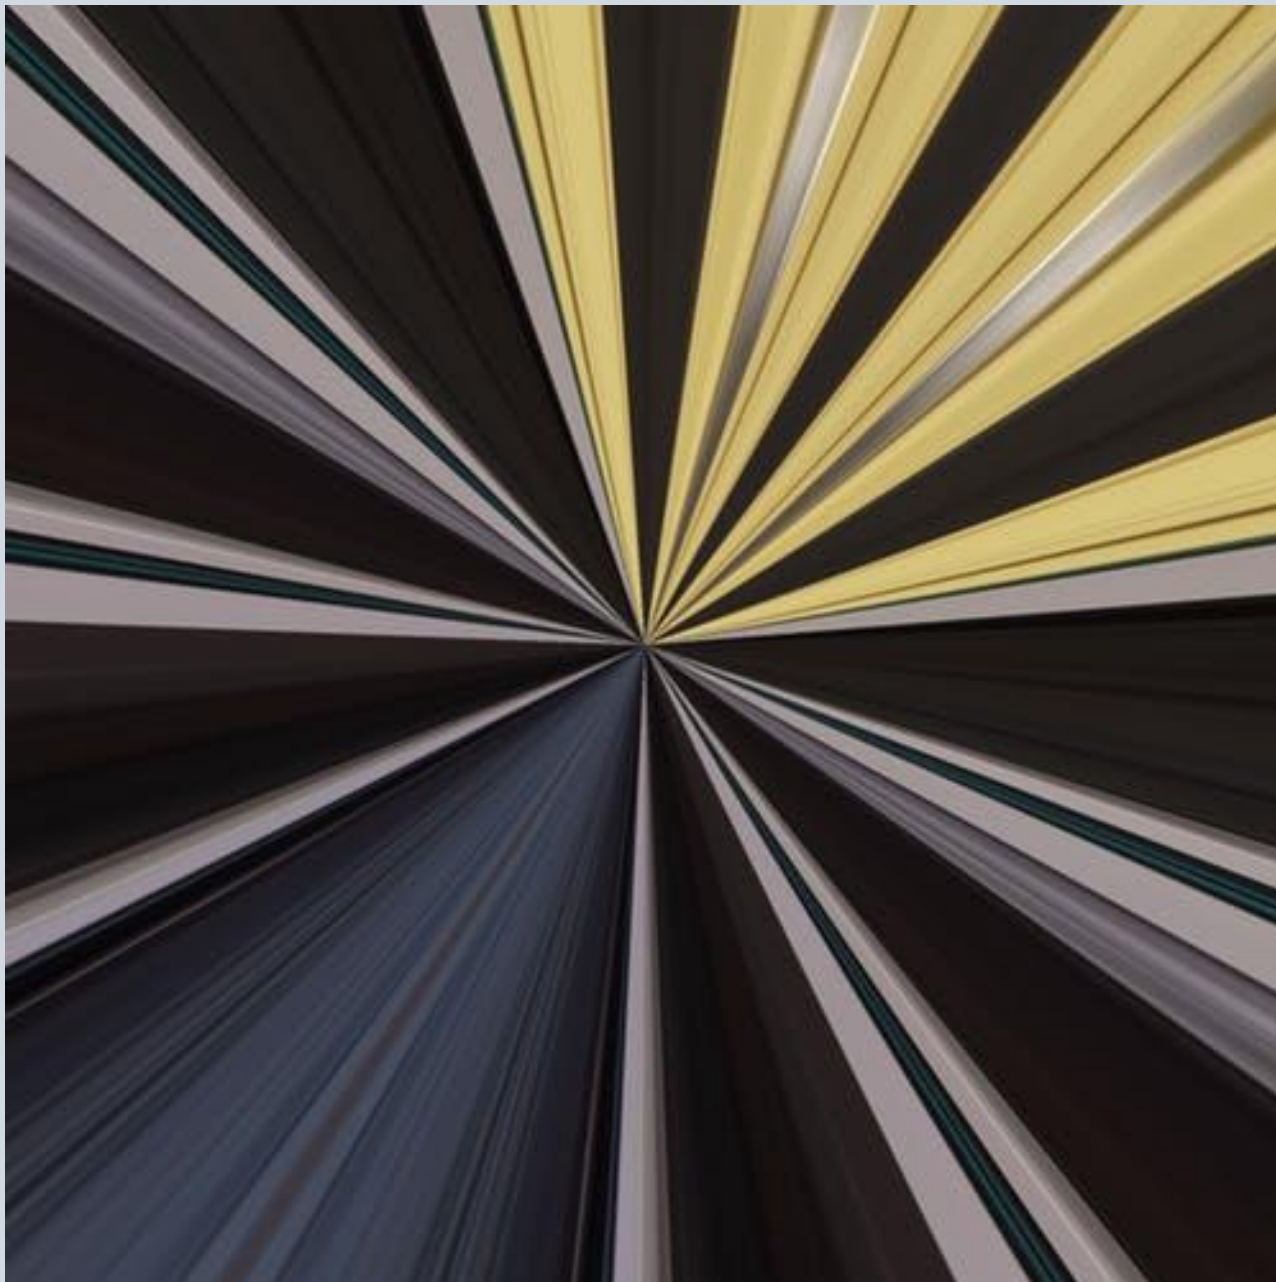

Mai bine mai rău:

hai sictir cu el -

Fugi domne, d'acia.

Lasă-mă

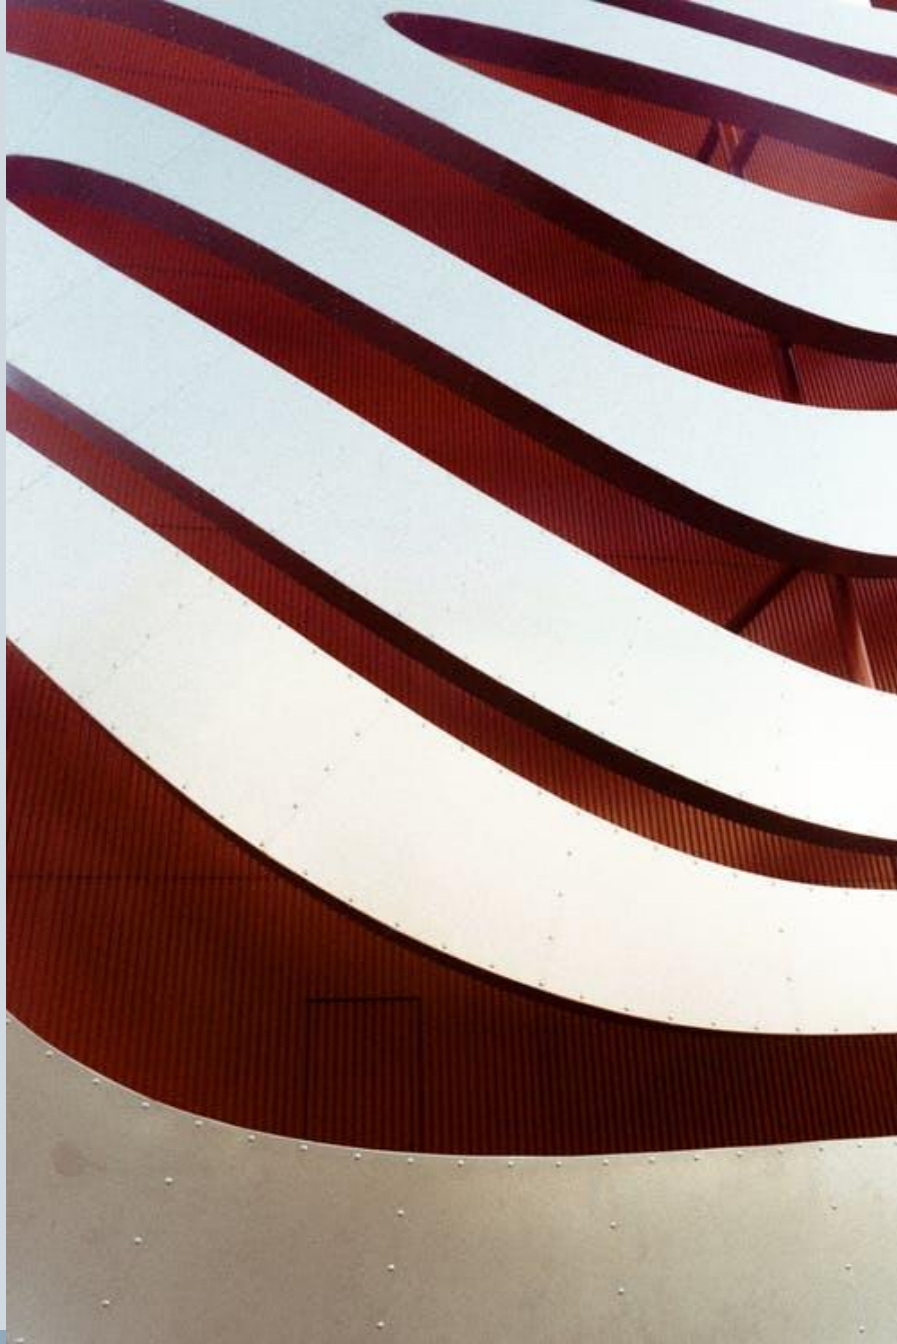

Bâbâlici

să trăiesc

liniștit.
